

MEMBERSHIP COMMITTEE

Thank you for your interest in our membership activities. Our caucus counts on the volunteerism of generous people like you. Without members, we could not operate and be successful . Membership operation has no bounds. We need to advertise, hold Meet & Greet sessions with the community, network with other organizations, talk-up our organization to individuals we meet in everyday life and any other way we can attract potential members. The membership committee members are ambassadors between the caucus and the community.
